

SUPER
SAVER

Derby Horse. Derby Pedigree.

The 2010 Kentucky Derby winner comes home in 2011

“*He was my fastest two-year-old last year.*”

– Todd Pletcher

Super Saver set a **new stakes record** in the 83rd running of the Kentucky Jockey Club S. (G2).

Weighted at 122 lbs. on the Experimental Free Handicap as a two-year-old, higher than Eskendereya (G1) and Discreetly Mine (G1).

Validating his No. 1 ranking on Steve Haskin's *Derby Dozen*, Super Saver took full command inside the quarter pole and streaked clear to a decisive 2 ½-length victory in **Kentucky Derby 136**.

“His family is one of the best and most active you’ll find in the stud book. The sire power is tremendous.”
